Newsletter of Chapter 84 of the Experimental Aircraft Association at Harvey Field in Snohomish, WA

January, 2007

From the President's Corner

With the beginning of the New Year, we all look forward to new experiences, new beginnings, and new challenges, and we look back fondly on our recent past.

EAA Chapter 84 Awards Dinner on Tuesday, 12/02 (by Harold Shoemaker, Chapter Secretary)

President Rand Martin led the dinner meeting. 29 members and guests present.

Awards; Awards were presented to all staff members for their continued service to the Chapter. Additional awards were given to Linda Gentry, Elvin Davison, Jim Davison, Mike Henderson, Kandace Harvey, and Tom Mahon for their special efforts given to the chapter. First flight awards were presented to Harold Shoemaker, Mike Bevis, and Mike Sigman. Bevis and Sigman were unable to attend, so their awards will be held until the January Meeting.

New Business: Rand reported on a call he received from Jim Scott. The conversation had to do with Wick's appreciation of the effort the chapter put forth during Wick's open house last month. Wick's will now offer any Chapter 84 member in good standing, a 10% discount, as long as the member can show membership in the chapter. (Hat-Shirt-Membership badge-Etc)

In an effort to reduce cost of the newsletter, a suggestion was made to ask who would rather receive their newsletter via the internet. A list could be compiled and they would then get the newsletter via e-mail and the rest would receive it by snail mail as before, saving stamps and printing costs.

50/50 Drawing: The drawing was the final event of the evening. Even though there were only about one third of the members present, the Christmas pot went on the first ticket pulled. Dan Thomas was this year's big winner. Congratulations Dan.
